

Piccolo - vol 4

Small plates but an active higher

Piccolo - A Italian word for small or little!

Our small bar & restaurant is run by our 'little' team of just two - manager Tiff & head chef Dec. The food is best shared between friends, our small plates similar to tapas style dining. Like our wine list & cocktail menu the food is based on what you'd find in some of the coolest back street hangouts, bars & restaurants from around the world. *Buen Apetito! Al x*
